SUMMER CONCERT AND FAYRE

Tuesday 24th July, 1:30 - 5:pm

This year's *Summer Concert* theme is 'Dance Styles'.

The concert will be inspired by music and dance from different dance themes - ballet, hip hop, rock etc. Bring along a picnic blanket or deckchair to watch and enjoy the performances and stay for our *Summer Fayre*.

There will be a barbeque, bouncy castle, teacup rides, art on the bus, refreshments, a football tournament, a range of 50p stalls including tattoos, Find the Bear in the Square, Lucky Ladders, Beat the Goalie etc.

Help us to raise funds for the forthcoming year.

TEACHER ASSESSMENT, SAT RESULTS AND REPORTS

As you may be aware, the children in Y2 and Y6 were assessed at the end of key stage and the results have been shared with their families in the annual reports.

The test results are reported using scaled scores, which range from 80-115 in KS1 and 80-120 in KS2, where 100 is defined as the 'expected standard'.

Expected standard

Last week, we sent home every child's annual report explaining their achievement this year. We are very proud of all of our pupils, as they demonstrated huge amounts of commitment and tried their very best. Please remember that tests do not assess all of what it is that makes each child special and unique. They do not reflect the values they have learnt and the learning dispositions they have developed which make them compassionate, resilient and responsible young people who care about their family and friends and the world in which they live. They are not able to show how the children have developed as leaders of the school.

Each of your children has been on their own journey over time and have made so much progress in so many different ways. We hope you enjoy reading their reports and seeing the results of their achievement this year. Be very proud of your child.

ENRICHMENT DAY - DRUMMING

On **Monday 23rd July**, we will be having a music enrichment day - a drumming day. We have a visiting Caribbean Steel Pans band who will perform to the school, followed by steel pan workshops for Y2-Y5 and djembe drum workshops for YR-Y1. Children can come in clothes to reflect the Caribbean and African flags.

FRENCH

Whilst France have been busy winning the football World Cup (**Coupe du Monde**), our **Year 5s** represented the school very well at John Warner where they took part in a STEAM (Science Technology Engineering Arts and Maths) session delivered in a variety of languages including *français*.

Meanwhile **Year 6s** have been very busy making blackberry jam (**confiture de mûres**) as part of our study of World War 1 (Première Guerre Mondiale).

One hundred years ago children made jam to send to the soldiers at the front line.

Merci et bonne chance to Year 6 - we hope that they will treasure learning French and other languages in their secondary schools.
