## January 2020

### Happy New Year

Welcome back and a very HAPPY NEW YEAR to you all.  
It is lovely to be back at school in our community.  
Hopefully, you all had a restful and joyful  
Christmas.  
Wishing you all the very best for 2020.

### HALF TERM

Monday 17<sup>th</sup> February -  
23<sup>rd</sup> February

Children return to school on  
Monday 24<sup>th</sup> February

### READING CHALLENGE TERM

*Spring is our reading challenge term.*

We encourage our children and their families to stretch themselves with a reading challenge over the term - How many books can you read? How many different authors can you read? Can you read equal non-fiction to fiction?

The aim is for every child to read daily, from a range of sources: books, newspapers, comics, adverts, magazines, the internet etc.

Children will be rewarded with *raffle tickets* and there will be a weekly draw.

Children can win a limited edition *Wormley Reader Bear* or magazines and books.

At the end of term, *one family in each phase will receive family tickets to the cinema.*

**This is a family challenge!**

The greater number of tickets in the box, the greater possibility of becoming a winner!!

*Don't forget to record reading together in the children's reading records as these are vital as evidence in assessing children's reading to see if they read widely and with commitment to a book.*

### OUR VALUE THIS MONTH IS TRUST

Trust is a central part of all human relationships, and in a relationship with God

To *trust* someone is to feel a level of confidence and security that the other person is dependable.

It is also a set of behaviours which demonstrate we are dependable.

This term we will be exploring some stories from the Bible about trust and thinking about how we can be trustworthy.

*"Those who know your name trust in you, for you, LORD, have never forsaken those who seek you."*

Psalm 9:10

### PUNCTUALITY

Please make sure children arrive to school on time. If you are late, you will be asked why and this will be recorded.

### SWIMMING GALA

On **Wednesday 29<sup>th</sup> January** there will be a swimming gala. Children will be notified if they are participating.

## WE WILL ROCK YOU

Just before Christmas, we were treated to some amazing performances from our school rock bands.

They were all so

cool, whether they played the drums, electric guitar, keyboards or were the singers!

We really enjoyed their performances!

Keep rocking!

## CHANGES?

Have you a new telephone?  
Have you changed your internet provider and got new email addresses or have you moved house?

Please remember to update your details with the school office. We need to be able to contact you in the event of an accident or an emergency.

Please help us to help you!

Thank you.

## BOOSTER CLUB

We are starting Booster Club for some of our Y6 pupils after school. Our teachers have offered to help children with any gaps in learning. If your child has an invitation to come to the club please ensure they attend. Extra revision before the SATs and transition to Secondary School is a real bonus!

## PARENTAL RESPONSIBILITY FOR SOCIAL MEDIA AND ON-LINE BEHAVIOUR

I have written to parents before about taking responsibility for their children when they are on-line and using mobile phones.

Once again, I ask you to take on this responsibility, as yet again the school is being expected to sort out unacceptable behaviour between children on-line/on social media at weekends and in the evenings.

Why do children need mobile phones when they are safe at home?

**The minimum age for WhatsApp is 16, Snapchat is 13, Fortnite is 12+**

**None of our children are this age.**

As with all social media, respect towards self and others makes us safer. Whether the experience is positive or negative depends on how children use an app or a game, whether or not they are really friends or how they treat each other.

Children need their trusted adults to supervise them, guide them, advise them and to tell them no when something is not appropriate.

Once again, I am telling parents that children in this school have been groomed by suspected paedophiles on-line, they have been bullied on line, they have been exploited.

Parents must step up and take responsibility for their children if they allow them to use social media or go on-line.

Parents must also consider that they are role models to their children.

## ENRICHMENT DAY

Our focus for the next enrichment day is: *Fairtrade*

*Have you ever thought where your food comes from? Have you ever considered who produced your food? Have you ever asked, 'Did they get a fair price?'*

On **Friday 14th February** we will be thinking about these questions. Our aim is to develop our pupils' moral development and to give them aspiration for themselves and hope for the communities of which they are a part.

We also hope to engage the community in social action and to be *courageous advocates* for change in their local, national and global communities.

The day will begin with an assembly to hear all about the  
**FAIRTRADE FOUNDATION**

Fairtrade is about better prices, decent working conditions, local sustainability, and fair terms of trade for farmers and workers in the developing world.

By requiring companies to pay sustainable prices (which must never fall lower than the market price), Fairtrade addresses the injustices of conventional trade, which traditionally discriminates against the poorest, weakest producers. It enables them to improve their position and have more control over their lives.

With Fairtrade you have the power to change the world every day. With simple shopping choices you can get farmers a better deal. And that means they can make their own decisions, control their future and lead the dignified life everyone deserves.

Each year group will be finding out about a different food which we can support through fairtrade.

After school, we hope to have a Fairtrade stall from which you can purchase sustainable items for a fair price.

*Fairtrade Fortnight 2020 runs from Monday 24th February to Sunday 8th March*

## LEARNING CONSULTATION EVENINGS

Please come along to find out how your child is progressing with their learning so far this academic year.

**Monday 10th February 3:30 - 5:30pm and**

**Wednesday 12th February 5:00- 8:00pm**

Apologies, but we had to change these dates and move them 1 week earlier.

Year 2 will be holding their consultations Wednesday 12<sup>th</sup> February 5.00-8.00pm and Thursday 13<sup>th</sup> February 3.30-5.30pm

Lists will be posted shortly.

### OUTDOOR PLAY

The weather has started to get cold recently and since all of the children concentrate extremely hard in lessons, at break times they will go outside to play, except in very bad weather.

Please ensure that your child has a **raincoat or waterproof jacket**, clearly labelled, in school each day.

Unless it is pouring with rain, PE and games may well be outside - children must have the appropriate clothing for this also.

Children in YN and YR spend 50% of their time outside so would benefit from, hats, gloves and wellies in school each day too.

### BAD WEATHER PROCEDURES

In case of snow, so here is a reminder of our weather procedures.

Information will be sent via text message, an update on the Wormley APP and our Wormley Facebook page.

As always, safety comes first and the roads can be treacherous during bad weather, so only travel if it is safe to do so.

The best way to contact the school if you are concerned is via telephone or email: **admin@wormleyprimary.co.uk**. We will try and respond as quickly as we can.

### PARKING

Please show consideration for our neighbours when dropping off and picking up your children from school. Last week a local resident had their driveway blocked by one of our parents.

Please think with consideration about where you park

### DOG LITTER

Please do not place any dog litter in the school bins.

This is not appropriate on a school site when bins are provided nearby.
