The agents and their social stories

As a **super social learner**, there are a number of agents within you which can be deployed to make you a better learner. There are 7 learning agents: Agent Considerate, Agent Curious, Agent Resilient, Agent Creative, Agent Reflective, Agent Confident and Agent Strategy. Sometimes you might only need to call upon one agent but at other times you may need a team of agents. Each agent has certain **characteristics** which will enable you to learn effectively as long as you use them.

Let's find out more about the agents...

Agent Strategy - the power of focus

Agent Strategy always has a **plan** and uses **reasoning** and evidence to **justify** choices. This agent thinks about the best approach to **apply** to a situation. Agent Strategy has the **purpose** of a task in mind and makes **deliberate** and **intentional** decisions. Agent Strategy thinks **critically** and doesn't always go with the first idea. Agent Considerate - the power of thoughtfulness

Agent Considerate is very **thoughtful** and thinks deeply. This agent enjoys **collaborating** with others and shows **courtesy** towards others' ideas, opinions and beliefs. Agent Considerate has **empathy** for people, shows **compassion** and can **forgive** them when things go wrong. Agent Considerate is a good **listener** and tries hard to be **friendly** and **inclusive** of everyone which makes for a very popular agent. (Thought bubble)

Agent Curious - the power of wonder

Wondering about the world and asking questions is what Agent Curious does best. When faced with new and challenging tasks, this agent has an open-mind and explores solutions inquisitively. Agent Curious has a thirst for knowledge and enjoys engaging with other people's ideas and activities. (Magnifying glass)

Agent Creative - the power of imagination

Agent Creative has enthusiasm for everything they do. This agent dares to think outside the box which makes them flexible enough to achieve their goals. Agent Creative is able to make connections about the world around them and consider different perspectives. When Agent Creative is in action, they are resourceful and not afraid to take risks. This allows them to generate new ideas in their thinking which paves the way for originality. (Paintbrush)

Agent Resilient - the power of yet

Agent Resilient demonstrates perseverance when taking on new challenges and uses grit to overcome obstacles. This agent has incredible bouncebackability and optimism, even when stuck in the learning pit. Agent Resilient knows that the power of yet helps us to be resilient along the learning journey. When tackling something difficult, Agent Resilient shows bravery, determination and commitment in achieving their goal. (Shield)

Agent Reflective - the power to improve

Agent Reflective does not rush learning. They pause often and notice, choosing when to snorkel or scuba dive to find out more. Agent Reflective demonstrates self-discipline. This agent creates and retells stories of success, narrating their learning journey, which helps with understanding how to navigate the next step. Agent Reflective is happy to learn from mistakes. They use Kaizen (a little bit of improvement everyday) as a reminder that learning is a continuous life-long journey and shows gratitude for all opportunities to grow. (Mirror)
