Another great Sports Day was had by everyone on the Friday before half term.

We hope you followed the day's events on our Facebook page.

The KS1 house which came first was

Trott

The KS2 house which came first was

The house which was the overall winner was

Well done to everyone in each house for trying their best. The final scores were very close. It is the participation that counts for most!

TEACHER ASSESSMENTS

This half term, teachers will be completing teacher assessments for the children across the curriculum.

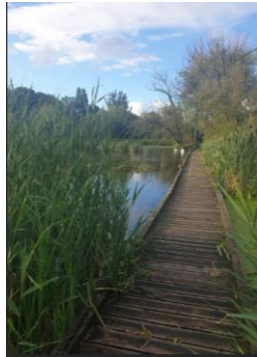

These will be shared with you in the children's reports - 12th July.

LOCAL GEOGRAPHY

The children have really enjoyed their walks around Wormley, finding out about the way the land is used - for business and pleasure, its history over time, its links through transport - road, railway and river.

Many found places in their locality that they hadn't previously explored.

Here are Y6 trying to open Carthage Lock - a lock on the River Lee Navigation at Broxbourne.

WORLD GEOGRAPHY

This term, children continue their learning in Geography - finding out about places and natural phenomena in the world.

The core concepts are **place**, **space** and **scale**. This is underpinned by enquiry - asking questions and finding out about this place in the world.

WORLD GEOGRAPHY ENRICHMENT MORNING

Families of children in KS1 and KS2 are invited to our World Geography Enrichment morning on

Friday 7th July at 9:15.

Stay after drop off in the morning and take a trip to the place your child has been studying and learn all about it.

Y1/2 please stay on the KS1 playground, Y3-6 please wait on the KS2 playground.

Passport details to follow!

TRANSITION DAY

Our Y6 children visit their secondary schools on **Thursday 13th July** and the rest of our children will **Budge Up** to the next year group. You will receive an email beforehand with details of your child's next teacher and their class name.

If Y6 pupils are feeling anxious about the move to secondary, you might consider guiding them to this short film - **Moving Up!**

The animation is aimed to help year 6 pupils feel more confident, less anxious and better equipped to cope with the changes associated with moving to secondary school.

SUMMER READING CHALLENGE AT HODDESDON LIBRARY

Hertfordshire Libraries are proud to present the Summer Reading Challenge 2023.

This year's sports and games themed challenge - Ready, Set, Read! aims to keep children reading for pleasure throughout the summer holidays.

We encourage children to read 6 library books over the summer holidays. This could include listening to an e-audiobook, reading independently or even parents or carers reading picture books to younger ones... all reading is good reading in our book!

Here's how it works:

Visit a local library to sign up for the challenge from **Saturday 8 July**

Borrow 2 books with the participant's library card

Read the 2 books, come back to the library and tell us something about them in exchange for some stickers and a reward

Repeat steps 2 and 3 until all stickers and rewards are earned

Receive a personalised certificate, medal and gift on completion.

Children who complete the challenge will be entered into a prize draw to win a ticket to a creative workshop with Loretta Schauer, official illustrator for Ready, Set, Read!

Children can register for a free library card at any time with a parent/carer present. The challenge finishes on **Saturday 2 September** (or Sunday 3 September if your local branch is open).

FUND RAISING FOR AIR AMBULANCE

Here are some photos of the 5km run that Jayden White (year 1 Jellyfish) took part in over the weekend.

9:15-10:30

to celebrate their time at Wormley CofE Primary School and to wish them well for the future.

OUR VALUE OF THE HALF TERM IS UNITY

This term we will be considering the value of **Unity**.

Unity creates a sense of belonging and increases well-being for everyone. Unity in our school is built upon shared goals, hope and a clear vision for our school.

In our Collective Worship, we will consider how to build unity amongst our community and the world; how to live in unity and diversity; and the unity of the Holy Trinity.

"How good and pleasant it is when God's people live together in unity!" Psalm 133
