## July 2019

### SUMMER CONCERT AND FAYRE

Tuesday 23rd July, 1:30 - 5:pm

This year's *Summer Concert* theme is 'Disney on the Field'.

The concert will be inspired by music and dance from different Disney films. Bring along a picnic blanket, deckchair (and a sunshade) to watch and enjoy the performances and stay for our *Summer Fair*.

There will be a barbeque, bouncy castle, art on the bus, refreshments, a football tournament, a range of 50p stalls including tattoos, Find the Bear in the Square, Lucky Ladders, Beat the Goalie etc.

Help us to raise funds for the forthcoming year.

### TEACHER ASSESSMENT, SAT RESULTS AND REPORTS

As you may be aware, the children in YR, Y1, Y2 and Y6 were assessed in line with government expectations this term. At the end of key stage, Y2 and Y6 sit Standard Attainment Tests (SATS). The results have been shared with their families in the annual reports. The test results are reported using scaled scores, which range from 80-115 in KS1 and 80-120 in KS2, where 100 is defined as the 'expected standard'.

Expected standard

This week, we sent home every child's annual report explaining their achievements this year. We are very proud of all of our pupils, as whenever we observe them in their learning, they demonstrate huge amounts of commitment to trying their very best.

Please remember that tests do not assess all of what it is that makes each child special and unique. They do not reflect the values that they have learnt and the learning dispositions they have developed which make them compassionate, resilient and responsible young people who care about their family and friends and the world in which they live. They are not able to show how the children have developed as leaders of the school and their community.

Each of your children have been on their own journey over time and have made so much progress in so many different ways. We hope you enjoy reading their reports and seeing the results of their achievements this year. Be very proud of your child.

## CONGRATULATIONS TO OUR DISTRICT SPORTS TEAM

Huge **congratulations** to all the children who took part in the 2019 District Sports. They were so resilient, committed and fast! Our school came second place after winning many individual and team events. We are very proud of them!

## FRENCH TOPICS

This half term, Year 3 have been learning about **King Louis 14<sup>th</sup> of France**.

The reign of France's Louis XIV (1638-1718), known as the Sun King, lasted for 72 years, longer than that of any other known European sovereign. In that time, he transformed the monarchy, ushered in a golden age of art and literature, presided over a dazzling royal court at Versailles, annexed key territories and established his country as the dominant European power. During the final decades of Louis XIV's rule, France was weakened by several lengthy wars that drained its resources.

They have produced bookmarks with facts and pictures on King Louis 14<sup>th</sup> of France.

PARTY WITH PINKY

### PINKY - CHILDREN'S ENTERTAINER

*'Pinky' is Jo - I'm the woman behind the costume. I began my career with a degree in English literature with honours & Lamda acting training with distinction. I completed my degree with the intention of going back to uni for a PGCE teaching qualification to become a primary teacher. But once I was exposed to the world of drama it made perfect sense for me to combine these two loves and become a children's entertainer. I trained and as if by magic 'Pinky' was born.*

Party with Pinky is a complete kid's party themed entertainer & organiser for children of all ages, specialising from 3 year olds to teens; boys and girls. I cover a variety of themes from princess to science, from superheroes to UV discos, from science to making bears and even slime. I am the entertainer at every party booking, I come dressed as the theme character you choose & oversee every aspect of the party. I treat each & every party with the same love & attention to detail as if it is for my own children because each party is a special one!!
