

Compliments, Complaints & Feedback

We are always seeking to improve on the quality of education we provide for our pupils with SEND and are keen to hear from parents and carers about their child's experience.

We would also like your views about the content of our SEN Information Report. If you would like to comment please email the SENCo team at senco@wormleyprimary.co.uk

Compliments are always greatly received and can be passed on either directly to staff and the SENCo team, or formally recorded via our regular questionnaires to parents or in the form of a letter to the Head Teacher. However, if there should be a concern the process outlined in the school complaints leaflet should be followed.

If you would like to discuss your child's needs in detail please contact the SENCo team to arrange an appointment.
