OUR VALUE OF THE HALF TERM IS COURAGE

This term we will be considering the value of courage. We will be learning examples of people who displayed courage from the Bible, including Paul, David, Daniel and Moses and thinking about how we might apply this in our lives today.

For example, young David stood up to Goliath, the giant of a soldier who threatened and frightened brave warriors. We too must find ways to stand up to bullies, to stand up for what we believe is right, to stand up for others who need our help.

"Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."

Joshua 1:9 NIV

TEACHER ASSESSMENTS

This half term, teachers will be completing teacher assessments for the children across the curriculum.

Assessments will be made about what children have learnt within the adapted curriculums since returning from lockdowns.

These will be shared with you in the children's reports, **8th July.**
