### Quick reference guide for Safeguarding Children in Schools

It is everyone's responsibility to keep children safe. In education settings we aim to provide a safe environment and take action to ensure that children and young people are not placed at risk of harm or likely to suffer significant harm.

This leaflet has been given to you to make sure you understand what is expected of you. Please seek advice from the Designated Safeguarding Lead or Deputy.

### **When and what might I be concerned about?**

At any time, you may become concerned about information indicating that a child is being harmed, whether through neglect, physical, sexual, or emotional abuse.
